INDEPENDENCE DAY-2018

MESSAGE

I convey my warm greetings and best wishes to the people of Kerala and other Keralites all over the world as our beloved Nation celebrates its 72nd Independence Day.

As a people who have gained Independence through a historic struggle against oppression, we have a duty to preserve our freedom and to uphold the dignity of our democratic tradition. The real tribute we can pay to the memory of hundreds of patriots whose sacrifices culminated in the birth of Free India is to ensure that every citizen of our country enjoys the essence of true freedom through a life of dignity, social justice and empowerment.

On the proud and joyous occasion of our 72nd Independence Day, I wish everyone a more prosperous future and a greater role in the progress of our Nation.
